

**FINANCING AGREEMENT BETWEEN
THE UNITED NATIONS DEVELOPMENT PROGRAMME (UNDP)
AND PBH ATIVOS (THE FINANCER)**

WHEREAS the PBH Ativos hereby agrees to contribute funds to UNDP on a cost-sharing basis (hereinafter referred to as “the Contribution”) to UNDP for the implementation of Project BRA/26/009 - Fortalecimento de Capacidades da PBH Ativos (hereinafter referred to as the Project), as described in the Project document BRA/26/009, in Brazil, and submitted to the PBH Ativos for information.

WHEREAS UNDP is prepared to receive and administer the contribution for the implementation of the project,

(b) The PBH Ativos will inform UNDP when the Contribution is paid via an e-mail message with remittance information to contributions@undp.org, providing the following information: donor's name, UNDP country office, Project BRA/26/009 - Fortalecimento de Capacidades da PBH Ativos, PBH Ativos reference (if available). This information should also be included in the bank remittance advice when funds are remitted to UNDP.

¹ It is recommended that country offices negotiate the number of installments to ensure at least six months' anticipated disbursements are funded with each installment. This will make processing of contributions and reporting more efficient for the country offices.

2. *The value of the payment, if made in a currency other than United States dollars, shall be determined by applying the United Nations operational rate of exchange in effect on the date of payment. Should there be a change in the United Nations operational rate of exchange prior to the full utilization by the UNDP of the payment, the value of the balance of funds still held at that time will be adjusted accordingly. If, in such a case, a loss in the value of the balance of funds is recorded, UNDP shall inform the PBH Ativos with a view to determining whether any further financing could be provided by the Donor. Should such further financing not be available, the assistance to be provided to the [Project] may be reduced, suspended or terminated by UNDP.*

3. The above schedule of payments takes into account the requirement that the payments shall be made in advance of the implementation of planned activities. It may be amended to be consistent with the progress of project delivery.

4. UNDP shall receive and administer the payment in accordance with the regulations, rules, policies and procedures of UNDP.

5. All financial accounts and statements shall be expressed in United States dollars.

Article II. Utilization of the Contribution

1. The implementation of the responsibilities of UNDP and of the Implementing Partner pursuant to this Agreement and the project document shall be dependent on receipt by UNDP of the contribution in accordance with the schedule of payment as set out in Article I, Paragraph 1, above.

2. If unforeseen increases in expenditures or commitments are expected or realized (whether owing to inflationary factors, fluctuation in exchange rates or unforeseen contingencies), UNDP shall submit to the PBH Ativos on a timely basis a supplementary estimate showing the further financing that will be necessary. The PBH Ativos shall use its best endeavours to obtain the additional funds required. UNDP shall not absorb any loss (including but not limited to exchange fluctuations) under the Project. All losses (including but not limited to losses as result of currency exchange fluctuations) shall be charged to the Project.

3. If the payments referred to in Article I, paragraph 1, above are not received in accordance with the payment schedule, or if the additional financing required in accordance with Paragraph 2 above is not forthcoming from the PBH Ativos or other sources, the assistance to be provided to the project under this Agreement may be reduced, suspended or terminated by UNDP.

Article III. Administration and Reporting

1. Project management and expenditures shall be governed by the regulations, rules, policies and procedures of UNDP and, where applicable, the regulations, rules, policies and procedures of the Implementing Partner.

2. UNDP shall provide to the PBH Ativos the following reports in accordance with UNDP accounting and reporting procedures.

- (a) From the country office (or relevant unit at Headquarters in the case of regional and global projects) within six months after the date of completion or termination of the Agreement, a final report summarizing project activities and impact of activities as well as provisional financial data;
- (b) From UNDP Bureau for Management Services/Office of Financial Resources Management, an annual certified financial statement as of 31 December to be submitted no later than 30 June of the following year;
- (c) From UNDP Bureau for Management Services/Office of Financial Resources Management, on completion of the project, a certified financial statement to be submitted no later than 30 June of the year following the financial closing of the project.
- (d) From UNDP Bureau for Management Services/Office of Financial Resources, on completion of the programme/project, a certified financial statement to be submitted no later than 30 June of the year following the financial closing of the project

3. If special circumstances so warrant, UNDP may provide more frequent reporting at the expense of the Donor. The specific nature and frequency of this reporting shall be specified in an annex of the Agreement.

Article IV. General Management Support services

1. In accordance with the decisions, policies and procedures of UNDP's Executive Board reflected in its Policy on Cost Recovery from Other Resources, the Contribution shall be subject to cost recovery for indirect costs incurred by UNDP headquarters and country office structures in providing General Management Support (GMS) services. To cover these GMS costs, the Contribution shall be charged a fee of at least 8%. Furthermore, as long as they are unequivocally linked to the Project, all direct costs of implementation, including the costs of Implementing Partner, will be identified in the Project budget against a relevant budget line and borne by the Project accordingly.

2. The aggregate of the amounts budgeted for the project, together with the estimated costs of reimbursement of related support services, shall not exceed the total resources available to the project under this Agreement as well as funds which may be available to the project for project costs and for support costs under other sources of financing.

Article V. Evaluation

All UNDP Programmes and Projects are evaluated in accordance with UNDP Evaluation Policy. UNDP and the Government of Brazil in consultation with other stakeholders will jointly agree on the purpose, use, timing, financing mechanisms and terms of reference for evaluating a Project including an evaluation of its Contribution to an outcome which is listed in the Evaluation Plan. UNDP shall commission the evaluation, and the evaluation exercise shall be carried out by external independent evaluators.

Article VI. Equipment

Ownership of equipment, supplies and other properties financed from the contribution shall vest in UNDP. Matters relating to the transfer of ownership by UNDP shall be determined in accordance with the relevant policies and procedures of UNDP.

Article VII. Auditing

The Contribution shall be subject exclusively to the internal and external auditing procedures provided for in the financial regulations, rules, policies and procedures of UNDP. Should the annual Audit Report of the UN Board of Auditors to its governing body contain observations relevant to the Contribution, such information shall be made available to the PBH Ativos by the country office.

Article VIII. Fraud and Anti-Corruption Measures

The Parties agree that it is important to take all necessary precautions to avoid corrupt practices. To this end, UNDP shall maintain standards of conduct to govern the performance of its staff, including corrupt practices in connection with the award and administration of contracts, grants, or other benefits, as set forth in the Staff Regulations and Rules of the United Nations, the UNDP Financial Regulations and Rules, and the UNDP Procurement Manual.

Article IX. Anti-Terrorism Measures

Consistent with numerous United Security Council resolutions, including S/RES/1269 (1999), S/RES 1368 (2001), and S/RES/1373 (2001), both the PBH Ativos and UNDP are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. It is the policy of UNDP to seek to ensure that none of its funds are used, directly or indirectly, to provide support to individuals or entities associated with terrorism. In accordance with this policy, UNDP undertakes to use reasonable efforts to ensure that none of the PBH Ativos funds provided under this Agreement are used to provide support to individuals or entities associated with terrorism.

Article X. Advertisement of the contribution

1. The PBH Ativos shall not use the UNDP name or emblem, or any abbreviation thereof, in connection with its business or otherwise without the express prior written approval of UNDP in each case. In no event will authorization be granted for commercial purposes, or for use in any manner that suggests an endorsement by UNDP of PBH Ativos, its products or services.
2. The PBH Ativos acknowledges that it is familiar with UNDP's ideals and objectives and recognizes that its name and emblem may not be associated with any political or sectarian cause or otherwise used in a manner inconsistent with the status, reputation and neutrality of UNDP.
3. The PBH Ativos may make representations to its shareholders and internal budget officials as required about the fact of the contribution to UNDP. Any other use of the UNDP name or emblem, and any other form of recognition

or acknowledgement of the contribution of the PBH Ativos are subject to consultations between the Parties, and the prior written agreement of UNDP.

4. UNDP will report on the contribution to its Executive Board in accordance with its regular procedures regarding contributions from private donors. Other forms of recognition and acknowledgement of the contribution are subject to consultations between the Parties, but the manner of such recognition and acknowledgement shall be determined at the sole discretion of UNDP.

Article XI. Completion of the Agreement

1. UNDP shall notify the PBH Ativos when all activities relating to the Project have been completed in accordance with the Prodoc.

2. Notwithstanding the completion of the Project, UNDP shall continue to hold unutilized funds from the Contribution until all commitments and liabilities incurred in implementation of the Project have been satisfied and Project activities brought to an orderly conclusion.

3. If the unutilized funds prove insufficient to meet such commitments and liabilities, UNDP shall notify the PBH Ativos and consult with the PBH Ativos on the manner in which such commitments and liabilities may be satisfied.

4. In cases where the Project is completed in accordance with the project document any funds below 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be automatically reallocated by UNDP. Any funds above 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be reallocated by UNDP after consultation with the Donor.

Article XII. Termination of the Agreement

1. This Agreement may be terminated by UNDP or by the PBH Ativos after consultations between the Donor, UNDP and the programme country Government, and provided that the funds from the Contribution already received are, together with other funds available to the Project, sufficient to meet all commitments and liabilities incurred in the implementation of the Project. This Agreement shall cease to be in force 30 (thirty) days after either of the Parties have given notice in writing to the other Party of its decision to terminate this Agreement.

2. Notwithstanding termination of all or part of this Agreement, UNDP shall continue to hold unutilized funds until all commitments and liabilities incurred in the implementation of all or the part of the Project have been satisfied and Project activities brought to an orderly conclusion.

ANNEX – COORDINATION LEVY

UNITED NATIONS GENERAL ASSEMBLY RESOLUTION A/RES/72/279

The present Annex is an integral part of the Financing Agreement between The United Nations Development Programme (UNDP) and the P`BH Ativos (The Donor).

Pursuant to paragraph 10(a) of United Nations General Assembly Resolution A/RES/72/279 (31 May 2018), the Donor agrees that an amount corresponding to 1% of the total contribution to UNDP shall be paid to finance the United Nations Resident Coordinator System. This amount, hereinafter referred to as the “coordination levy” will be held in trust by UNDP until transfer to the United Nations Secretariat for deposit into the United Nations Special Purpose Trust Fund, which has been established to finance the United Nations Resident Coordinator System and is managed by the United Nations Secretariat.

The Donor acknowledges and agrees that once the coordination levy has been transferred by UNDP to the United Nations Secretariat, UNDP is not responsible for the use of the coordination levy and does not assume any liability. The fiduciary responsibility lies entirely with the United Nations Secretariat as the manager of the Resident Coordination System.

The Donor acknowledges and agrees the coordination levy does not form part of UNDP’s cost recovery and is additional to the costs of UNDP to implement the activity or activities covered by the contribution. Accordingly, there is no obligation for UNDP to refund the levy, in part or in full, even where the activities covered by the contribution are not carried out in full by UNDP. As deemed necessary by the donor, however, especially where the scale of the resources concerned or reputational risk justify the refund transaction costs, the donor can submit a request for refund to the United Nations Secretariat directly.

UNDP will not administer the coordination levy. UNDP will not report on the use of the coordination levy. UNDP does not have any liability on the use of the coordination levy by the United Nations Secretariat. Clarifications on the administration, reporting and/or use of the coordination levy by the United Nations Secretariat shall be discussed by the Donor and the United Nations Secretariat on bilateral basis.

A contribution of 1% is made under the Agreement. The coordination levy for this Agreement is in the amount of R\$ 47.064,00. This coordination levy amount will be transferred to UNDP at the bank account indicated in the Agreement immediately after its signature.
